LIVING HOPE

JULY 22-24 2026 | ANAHEIM, CALIF.

WELCOME

Dear Multiply Guest,

We're so glad you're here.

Since 2019, Multiply Conference has been more than an event. It's been a growing expression of a global movement. From the start, our purpose has been clear: to make disciples and multiply churches in every city and nation.

This isn't just our idea. It's the commission Jesus gave us. And the vision hasn't changed. God is still calling laborers to rise up and go. Multiply exists to awaken that calling, equip the willing, and send the faithful.

You are part of something bigger than a weekend. This is about generations being mobilized, churches being planted, and disciples being made. We carry the torch of the "win, build, send" mandate and we run with it into the future.

We've prayed for you. We've prepared for you. And we believe God will speak clearly this week. So come hungry. Come expectant. Join us in prayer. Lean into worship. Engage with the messages. Let the Holy Spirit stir something fresh in your heart.

Let's make disciples. Let's multiply churches. Let's change the world.

Godspeed,
Javi Solis
Multiply Conference Team
PC Global Network

**For this year's Multiply Conference,
we're intentionally leaving the evenings
open—there will be no evening services.**

**We believe that meaningful connection
happens not just in sessions, but also in
shared meals, late-night conversations,
and time spent together in fellowship.**
